

NOOK & Libby.

If you have a NOOK you can download Libby books on a computer, then use Adobe Digital Editions (ADE) to transfer them to your device:

1. On a computer, go to libbyapp.com. Add your library and card, if needed.
2. Go to 
3. Select loans at the top of the screen.
4. Select **Read With...**
Note: If you have a reading preference set, select **Manage Loan**, then **Read With...**
5. Click Other Options.
6. Select **EPUB** or **PDF**.
(Format options vary by title.)
7. Open the file in ADE and transfer the book to your ereader.
